Spring Term 2022

Dear Parents/Carers;

Buckle up and put your sunglasses on – this term we’re going on a road trip across the USA! We’ll start by ‘visiting’ the states where Native American tribes settled. We’ll use travel brochures and the internet to research New York and write postcards to family members. Using maps, we’ll locate the USA and find the names of the states. We’ll look at the amazing lights of Times Square, make circuits and create a program for a tourist trip around New York. The story, The Indian in the Cupboard, will inspire us to write diaries. We’ll explore Native American myths and write our own. After learning about their cultural significance, we’ll weave beautiful dreamcatchers. Looking at aerial views of natural landmarks, we’ll think about how they might have been formed. We’ll create travel brochures and make illuminated models of different landmarks. Then we’ll cook delicious dishes – would anyone like a corn dog? At the end of the project, we’ll make a ‘journey stick’ so we can remember where we have visited. We’ll use this to explain our learning journey.

This term we also have a student teacher joining us for her final teaching practice her name is Miss H Jones and I am sure the children will enjoying engaging and learning with her over the coming weeks.

A new homework matrix for the Spring term will be sent home week beginning 10.01.22, if possible could homework books be returned before that date for me to stick in the new sheet.

In case pupils need to isolate throughout the term, mission tasks, online reading books and MyMaths activities will be updated fortnightly. Please visit our school webpage- click children- class webpage – Blwyddyn 3/4 . If you need any further help or support please view the help guide videos on our class page or message me via ClassDojo.

Remember:

- Complete one activity off the homework matrix each week throughout the term.
- Spelling words will be sent home every half term, the children will also have time to practice these words in school every day.
- Regular timetables practise will help your child/children to become more confident and competent within numeracy tasks. Weekly MyMaths online tasks and lessons will also be set.

OUTDOOR PE THURSDAY/INDOOR PE FRIDAY PLEASE ENSURE A SUITABLE KIT IS WORN TO SCHOOL ON THESE DAYS

Please read with your child at home every night and send your child’s book to school with them every day.

Do what you can, when you can! Thank you for your continued support
