Remember to do your daily dos as well: timetables practice, adding 10 more, 10 less to a given number...

Play: TTblast - login to HWB- J2E- TTblast

Creative

Amy dw i

Your task is to Investigate totem pole designs by looking at a range of photographs and illustrations and find out about the materials and techniques used to make them.

Look at common design features and find out what they represent. Design a totem pole that includes symbols and forms and work alongside a professional artist to carve a class pole.

Create your own totem pole using a range of techniques and materials

Healthy me

Healthy, confident individuals

Owain

Owain dw i,

- Can you think of ways we could travel to and from school to help make us more active?
- Create a spider diagram of your ideas remember you can write and draw your ideas.
- Create an A4 sized poster to encourage our school community to travel to school in a more healthy and sustainable way.

Prynhawn da, Rhian dw i,

Create a collage about a significant landmark in the USA. See the additional information sheets to give you ideas

Your collage will include pictures, writing and diagrams.

You will make these using a range of resources and stick them in your mission book to celebrate your chosen landmark.

Ethical, informed citizens

Rhian

Money

Select the task you'd like to complete.

Use numicon to help you find change.

Grwp afal: problem solving: You are organising a party for 12 people with only £25 to spend! You can't go over and everyone will need to have the same e.g. You need to buy enough balloons so each person would have one balloon.

Log into MyMaths and work through the lessons and homework tasks set.

You MUST always start with the lessons first.

Remember you can also complete these at home 😊
