Prynhawn da,

Your mission is to create a Knowledge organiser about free verse poetry.

You will need to use the booklet about free verse poetry to help you.

There is also an example to give you some inspiration!

You may also draw pictures to assist your knowledge organiser if you feel it will help you.

Look at the map of America which shows the abbreviations of each state name.

Read the question on the state and colour it in using the key code!

You should finish with a colourful map of the USA.

Have fun and....

Amy dw i,

Look through the booklet of Route 66 pictures.

Use these pictures as inspiration to create a drawing of what you envision Route 66 to be!

You can use the WAGOLL example to help you if you need it.

Please remember to colour it in pencil!

Callum dw i,

Use the States of America data sheet to create a fact file about one state in America. You can choose whichever one you like!

There is a fact file template you can use to help you.

You will also need to research to find out an interesting fact about your state, and any famous landmarks they may have there.

Mwynha!

America is home to many famous deserts. Read the information provided for you, then create a one-page informative poster, with the title 'How to survive in the desert'.

Don't forget you can also use a Chromebook to do more research if you would like.

Make it nice and colourful!
