

Potions Summer 2022

Article 13: Your right to have information
Summer Term 2022

Dear Parents/Carers

Our theme in the next half Term is called 'Potions'

Poisonous potions, aromatic brews, vapour or a sticky goo... Welcome to the amazing world of potions!

We will be reading an extract from various stories linked to this topic, we'll learn all about mysterious potions, and write a safety label for a secret character's bottle. We'll sort everyday items into solids, liquids and gases. Using our investigation skills, we'll explore capacity and the properties of liquids. We'll also design fabulous bottles for magical potions. Becoming super scientists. We'll research the use of anaesthetic and learn what life was like without it! The play, Romeo and Juliet will inspire us to write scripts, and we'll think of an alternative ending for this tragic tale. We'll write spells with magical, strange or gruesome effects - what ingredients will we use? It will be great fun to make fruit smoothies and bath bombs!

A new homework matrix for the summer term will be sent home at the start of this term, if possible could homework books be returned before that date for me to stick in the new sheet.

Complete one activity off the homework matrix each week throughout the term.

-Spelling words will be sent home every half term; the children will also have time to practice these words in school every day.

-Regular timetables practise will help your child/children to become more confident and competent within numeracy tasks.

-Weekly MyMaths online tasks and lessons will also be set.

OUTDOOR PE THURSDAY/INDOOR PE FRIDAY PLEASE ENSURE A SUITABLE KIT IS WORN
TO SCHOOL ON
THESE DAYS

Please read with your child at home every night and send your child's book to school with them every day

Thank you for your continued support
Miss White and Year 3-4 Staff
