Spring Term 2026

Dear Parents/Carers;

Buckle up and put your sunglasses on – this term we’re going on a road trip across the USA! We’ll start by ‘visiting’ the states where Native American tribes settled. We’ll use travel brochures and the internet to research New York and write postcards to family members. Using maps, we’ll locate the USA and find the names of the states. We’ll look at the amazing lights of Times Square, make circuits and create a program for a tourist trip around New York. The story, The Indian in the Cupboard, will inspire us to write diaries. We’ll explore Native American myths and write our own. After learning about their cultural significance, we’ll weave beautiful dreamcatchers. Looking at aerial views of natural landmarks, we’ll think about how they might have been formed. We’ll create travel brochures and make illuminated models of different landmarks. Then we’ll cook delicious dishes – would anyone like a corn dog? At the end of the project, we’ll make a ‘journey stick’ so we can remember where we have visited. We’ll use this to explain our learning journey.

A new homework matrix for the Spring term will be sent home week beginning 5th January 2026, if possible could homework books be returned for me to stick in the new sheet.

Reminder that the pupils have online reading books and MyMaths activities which will be updated fortnightly.
