Home task: Take part in a rock hunt, unearthing rocks, stones and fossils from an interesting outdoor location such as your garden, the seashore, a river bed, or a rocky outcrop. 1) Due to COVID19 a selection of stones from the local beach will be brought into school for exploration (and returned to the beach after use). Children will sort the samples looking at different shapes, types and sizes, photographing each type of rock collected. The children will notice and admire rocks and stones, 3) Pupils will use the selection of stones to create stone art pictures. They will then take a picture using their ipad/chromebook and write about what they like, dislike and would change if they were to complete the task again.	All about me FlipGrid: pupils will be shown how to access and use FlipGrid via their HWB account. Using the following FlipGrid code pupils will watch the video and respond remembering to include as much information about themselves as possible i.e. birthday, likes, dislikes, hobbies, favourite TV programmes etc.	Daily check-in and catch-up chats with peers.
