1)Welsh/Cymraeg: learn some of the Welsh names for Volcano/Llosgfynydd, try and pronounce them with your partner and then find them in the word search

2) Continue building on your weekend recount. Remember to include
Title
Introduction
2-4 paragraphs starting with different time connectives.
Conclusion/ending

Remember a paragraph is a collection of sentences.

1)Use the volcano Top Trump cards to sequence the volcanoes from the highest to the lowest in height.

2)choose two of the volcanoes write down their name and when last erupted, workout how many years have passed since the last eruption.

Clue: you will need to use the bus stop method and take away the year 2020 from the year on the card! You make need to talk to your Year 4 friends to help with this 😊

Sketch a volcano and label it to show the parts using technical vocabulary

1)Fact finding: search online and write what you find out about volcanoes in your mission books.

2)Pompeii has a lot of history: what information can you find out? Create a powerpoint to show what you discover. Remember not to copy and paste from the internet or research books as this is plagiarism.

Well-being:

'It's good to be ME!'

Everybody is different and we are all unique, complete the balloons to share what is amazing about you!!

Include powerful verbs and adjectives as well 😊

3) rising stars online reading book

Mount St Helens last erupted
2008

This sum shows it has been 12
years since this volcano last
erupted

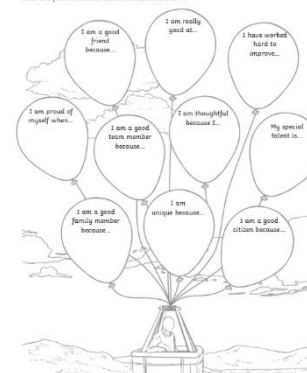

3)MyMaths online homework

Read up about Pompeii,
watch videos etc and type
up your findings in your
own words.
