

Missions

Week - 12.10.20 WK7-9

Theme: Tremors
Autumn Term 2020
Year group: 3-4 2020-2021

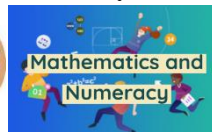

Literacy

Remember to do your daily dos as well: spelling, reading and handwriting practice...

Play:
Spell Blast - login to HWB- J2E- spell blast

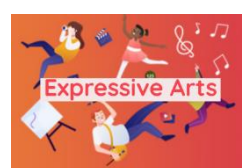

Numeracy

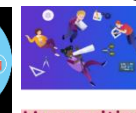

Remember to do your daily dos as well: timetables practice, adding 10 more, 10 less to a given number...

Play:
TTBlast - login to HWB- J2E- TTBlast

Creative

Thinking

Healthy me

Daily check-in and catch-up chats with peers.
Discussion about the new and changed rules in and around school.

Literacy

1) Story starter!

It was the moment they had been dreading for decades: the volcano had finally erupted. The earth shook, as torrents of golden death cascaded over the helpless landscape. Clouds of ash swarmed over the countryside, enveloping everything in their path. Chaos reigned as the beast that had been sleeping for years, now awoken, smote his fury upon the world.

In the distance a flash of silvery lightning licked across the sky: a snake's forked tongue lashing out in fury to strike its prey. The world was on fire. It was nature's turn to take its revenge.

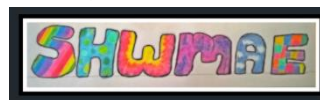

Can you write your own description/short story about the volcanic eruption?

Can you include sensory descriptive sentences? Remember our work on verbs

1) Finding properties of 3D shapes. Create 3D shapes using nets and/or models. Use 3D shapes to compare and explore. After making 3D shape take a photo using iPad and write properties in mission book

2) MyMaths online homework set weekly (can be completed during mission time)

1) 15.10.20 Shwmae Day, as part of this celebration I would like you to make an A4 sketch of the word Shwmae in your sketchbooks. You can add colour using any materials you decide e.g.
Felt pens
Paints
Collage

DCF/Technology/history

1) J2data using the earthquake top trump cards your task is to add 3 earthquake records to the database.
Log into HWB- J2E- myfile-click earthquake data file- then add your records/data

2) J2Blast spell blast and TT blast
3) Log into sumdog and access the numeracy games
<https://pages.sumdog.com/>

Science

1) Access the tsunami PowerPoint from HWB-Teams-class files- tsunami PPT. Create a poster to show what and how a tsunami happens. Remember to label your poster clearly using technical vocabulary.

Optimistic October!

- 1) Write or draw 3 things that have gone well recently
- 2) Write or draw 3 things that give you hope for the future
- 3) Use FlipGrid to share your ideas above, remember to speak clearly (not too quick), use tone and expression in your voice and finally end with a motivational quote

<https://flipgrid.com/47933b67>

For example;

'I believe in myself... so anything is POSSIBLE!'

and adverbs! Make it interesting for the reader

Can you use interesting verbs in your writing today? How about some of these:

shot dashed exploded erupted crept
bubbled frothed oozed smashed
smothered

Welsh

- 1) Dyma fi, use your dyma fi work that you have written in your literacy books. Record yourself reading this back and add in additional information (flipgrid code below and link is in Teams)

Dw i'n hoffi bwyta_____

Dw i'n hoffi yfed_____

Dw i ddim yn hoffi bwyta_____

Dw i ddim yn hoffi yfed_____

Gwallt=hair

Llygaid=eyes

Mae llygaid _____ gyda fi.

Try and use achos to explain.

Remember if you don't know the Welsh word when you are giving your reason use the English word instead.
