Summer Term 2021
Year group: 3-4 2020-2021

Literacy

Remember to do your daily do's as well: spelling, reading and handwriting practice...

Play: Spell Blast - login to HWB- J2E- spell blast

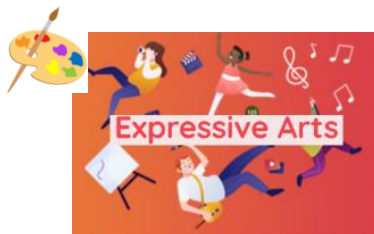

Numeracy

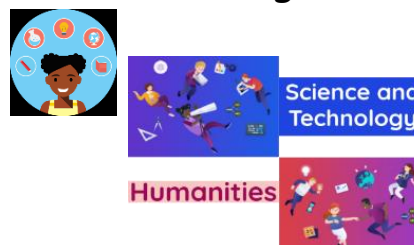

Remember to do your daily dos as well: timetables practice, adding 10 more, 10 less to a given number...

Play: TTBlast - login to HWB- J2E- TTBlast

Creative

Thinking

Healthy me

Create your own Roman Empire world including a Roman Villa, fort, key buildings and perhaps even a Roman soldier and gladiator. You must add signs to add facts and information about the Romans as you create your world. Remember to keep a note of the chromebook asset tag used to build your world. You can work as a group or with a partner with one person as host in a creative and peaceful world only!

**If creating at home send me an email of your world by pressing PRT SC button on the keyboard- then open your Hwb-Outlook- new message- press ctrl V- and send the email to whitep7@hwbcymru.net

Grwp porffor, glas, oren a gwyrdd: Log into MyMaths

Focus: angles is the main focus- complete as many of these set tasks both in school and at home. www.mymaths.co.uk

Angles - Year 3

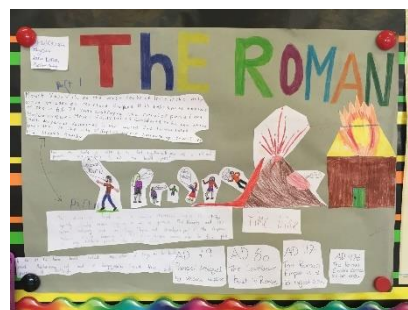

Maths Teaching Resources

Ambitious, capable

Create a poster using a range of art forms from collage, sketch, digital art, painting etc. You need to use these art forms to create a poster highlighting everything you have learnt about the Romans this term

whitep7@hwbcymru.net

Enterprising, creative contributors

Healthy, confident individuals

Log into HWB and access Adobe Spark and click presentation. Over the next 2/3 weeks you need to present all the information you have learnt and found out about during our topic the 'Romans are coming!' Steps to success:

1. Add a title
2. Add appropriate sub-headings e.g. Roman soldiers, Roman spa, Roman forts in Wales, Invasion of Wales etc
3. add relevant pictures
4. Write captions and information to go with pictures used

Share with me via whitep7@hwbcymru.net so I can print individual copies to keep in your books.

Ambitious, capable learners

Healthy, confident individuals

Go for a 'looking' walk around school or outdoors and make a list of the different things the pupils noticed. Describe what you saw in detail? Make sure you really look at it! Mindful looking or seeing. Often in our everyday life we don't really look at things properly. Our mind is full of our thoughts, so we don't really look carefully at things. When we use mindfulness, we really have to look at something. We fill our minds with what we are looking at.

Be mindful of the things you see around you make a list and then choose your top five

Week 10

Notice

List all the things that you have taken notice of this week. Once you have your list then choose the top 5 things to fill in on your worksheet. See if you can draw them really carefully taking in all the details that you noticed.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
