Creative

Thinking

Email me your work, dojo points will be added, and merit prizes given when we eventually get back to face to face learning
Whitep7@hwbcymru.net

Healthy me

Daily check-in and catch-up chats send me a message by email (outlook) to let me know how you are whitep7@hwbcymru.net
Let me know if you are finding anything tricky or you need extra help.

Class story 'Demon Dentist' by David Walliams

Chapter 5: listen to this week's chapter.

<https://flipgrid.com/f1c791b0>

Send me a FlipGrid response to tell me

- 1) What you are enjoying about the story?
- 2) Who is your favourite character so far and why?
- 3) Anything else about the text you'd like to share with me.

Grwp porffor, glas, oren a gwyrdd: Log into MyMaths www.mymaths.co.uk

Task 1: managing money

counting money: extra help video

[Spr3.4.2 - Count money \(pounds\) on Vimeo](#)

Task2: Problem solving task, 'Stamps' see below.

Send an email to show me how you got on
whitep7@hwbcymru.net

Watch the PowerPoint about a famous artist Julian Opie. His artwork is stylized, and he focuses on portraits and bodies.

Create a stylized portrait of someone important or close to you. It could be someone you live with; you could use a photo of some in your family or use a famous person's picture from online e.g. Sir Captain Tim Moore to create your stylized portraiture.

Take a picture of your work and send to me

Dentistry through the ages:

We are going to start way back in AD 410-1066 with the Anglo-Saxons.

I want you to create a fact file (One A4 page on paper or in ADOBE Spark or Microsoft PowerPoint)

This link will help you learn about the smashing Saxons
www.bbc.co.uk/bitesize/articles/zsrkg7h

This link will terrify you (not really)
<https://youtu.be/vJpKD8wQa6g>

Remember to include information about dentists during this period.

Following on from Children's mental health week, it is important that everyday you take some time to relax and just focus on your breathing.

This is a great video to help you control your breathing (we have done this a few times in class).

Simply:
Breathe in as Mojo grows.

Hold your breath while he stays the same size.

Slowly breathe out as he returns to his normal size.

Digestive system reading comprehension task

You choose the star level you want to read

1 * = simpler questions

2 * = more challenging questions

3* = hot questions (can you handle it?)

No cheating the answers are on the last slide!!!! I am watching you 😊

Take a picture of your work and send to me via Dojo or whitep7@hwbcymru.net

Create a poster to encourage other children and grown-ups to practice mindfulness and focus on their breathing.

You can use Adobe Spark (5 points awarded if you do), draw or paint a poster, create your informative poster anyway you wish.

WWW – What went well?

EBI – Even better if ...

My friend thinks –

Problem solving task: Stamps

Remember to use a systematic approach (order)

Read

Read the question.
What is the important information?

Understand

Understand the question.
What do you need to find out?

Choose

Choose the correct method of calculation and operation(s).

Solve

Solve the problem.
Make sure you follow the steps.

Answer

Answer the question.
What were you meant to find out?

Check

Check your answer.
Use the inverse to check your working out.

Stamps

Tilly's parcel cost 55p to post.

She stuck on eight stamps.

Each stamp was either 10p or 5p.

How many of each stamp did Tilly stick on her parcel?

Make up your own puzzle like this.
Ask a friend to do it.

Mindfulness & Wellbeing

Your brain is like any other body part or bone, it needs to stay healthy to be resilient.

 Take a break & do one thing at a time	 Eat Well & keep active	 Focus on what you are doing	 Sleep well to be alert & rested
 Be curious set realistic goals	 Be able to laugh at yourself	 Do something creative	 Asking for help

Mental Health is important to us all.
We offer impartial and confidential advice
Supporting Mental Health in Schools and Colleges

So, what's playing on your mind? To manage your stress you can:

Eat Well - Learn new skills - Talk about your feelings - Take a break - Care for others - Value yourself and others - Ask for help - Do something creative - Keep physically active - Be curious - Do one thing at a time - Understand that things come and go - Don't avoid emotions - Listen - Challenge your own beliefs - Reward yourself - Set realistic goals - Keep a positive attitude, even if others are trying to put you off - Be able to laugh at yourself - Be present when listening - Focus

& Most of all, Enjoy being you!
