

# Adjectives

Describing objects that have different textures, patterns and dimensions.

## 15 Second Guess

### You Will Need:

Tray

Several items of different textures, patterns and dimensions, for example, buttons, pens, beads, blocks, paper clips, cushions, etc,

### Activity

Play a memory game to practise describing objects that have different patterns, textures and dimensions.

Place one to three items on a tray. Look at them and feel them.

After 15 seconds, remove the tray from view. Now describe what the objects look like and feel like. Use as many different adjectives you can think of.

Draw or write what the object is and record the adjectives you used, around it.
