LO: listen to the story and create words and make up their meaning

We have looked at the use of glossaries a lot during guided reading time.
So activate your prior knowledge and complete the task below.

Watch and listen to the story <https://youtu.be/zTCDrE28Qpc>

- Some of the words in the book have been made up. Can you find them?
- Could you make up some new words of your own and explain what they mean?
- Could you use them in a sentence?

Share your ideas and learning below. Remember to go back to your assignment page and click hand in when you have finished
