

Can you create Santa and a sleigh? This is my attempt. I am sure yours will be much better than mine! Create it on your Minecraft education edition world and email me a screen shot whitep7@hwbcymru.net

To download Microsoft education edition log in to HWB- J2E- Minecraft icon- get started- download version for your device- log in with HWB username and password

Apparently, if you create a snowman and give him a pumpkin head and then use the shears, he will turn into a regular snowman WOW!

I have never exported a world before, the link is below, it may work for you. Please, let me know, as I am trying to get better at using Minecraft :) Don't worry if it doesn't, create yours in your own world and share a screenshot with me

Have fun
