

RE:

Read the PowerPoint presentation about a Victorian Christmas. Create a Venn diagram or table, using Hwb tools, or use the template, to compare Christmas in the past to Christmas now.

LO: Thinking of others at Christmas.

Read the PowerPoint presentation, 'Thinking about others at Christmas'. Think about people who are less fortunate or about people who have to spend Christmas differently to us.

Think about how we can help people at Christmas.

Use any Hwb tools to write about how we can help people who:

1. Are homeless
2. Ill
3. Have to work hard
4. Have lost someone close to them
5. Less fortunate than me.
