

Wk 2 challenges - Year 1

Learning Experiences

 Theme: Year group: Challenges				
Literacy	Numeracy	Creative	Thinking	Healthy me
 	 	 	 	 
Group 1 Writing your name Practice writing your name in a range of multisensory ways. Use different colours to write your name. Use the glitter or roller ball paints. Group 2 Practise writing your address. Learn to write your address and recall the information.	Maths: - Group 1 Number recognition. To recognise numbers 0-10. Sort the numicon tiles into the correct pot. Group 2 Sort the numbers from largest to smallest. Pull the numbers out of the pot and sort them in the correct order, smallest to largest.	Creative skills. Mixing colours Just like the wizard in the story, experiment with colours. Put the wizard hat on and see what colours you can make. Explore the paints on the table and see what colours you can make. Make a magic wand. Think about 2d shapes, what shape will your wand be.	Days of the week! The wizard has a challenge for the princess every day! Can you give yourself 7 challenges? Group 1 Order the days of the week by matching them. Group 2 Order the days of the week and give yourself a challenge for each day of the week.	Health and Well-being challenge Join in with Joe Wicks PE 30 min a day via YouTube live every morning at 9am (Mon-Fri). Alternatively, go on a 30 min walk everyday but stay safe. Group 1 & 2 Draw a paint a picture of yourself following one of our class rules for our class charter.
